## Refreshing Aranda Country Club

**Aranda Country Club (ACC) at Pasir Ris Drive has revitalised its lifestyle offerings in a big way - with more F&B options and activities for an entire stay, dine, play and learn experience. Located next to Downtown East, the country club has been a popular recreational destination for members and the public. With the introduction of 20 Luxury Suites on the third level, this brings to a total of 38 rooms on the three levels at ACC.**

In a time where personal wellness is sought-after, a part of the country club has been transformed into an exclusive, self-contained haven for guests to experience wellness, healthy cuisine and relaxation. Located on the third floor, [Momley Loft](#) specialises in holistic treatments and self-care programmes.

Conceived to give a private and regenerating atmosphere like a sanctuary – the third floor now features 20 well-appointed new Luxury Suites, alongside a private guest lounge, multi-purpose room and baby care room, during the staycation.

The Luxury Suites' comprehensive amenities and professional service works in harmony with its aesthetic design of warm hues juxtaposed against pastel colours.

One can choose from an array of wellness

programmes that include massages and conditioning, parenting and yoga classes.

A team of Traditional Chinese Medicine (TCM) physicians, chefs and nutritionists have also specially curated meals and herbal soups using traditional tonics.

ACC's unique experience caters to new parents, couples and young families, says its General Manager Benny Lee. "Besides the extended lifestyle offerings at the country club, with the growing wellness trend, Aranda Country Club aims to be the luxury sanctuary for guests to truly unwind and engage in self-care activities," he adds.

Luxury Suites are priced from \$988. At 3D2N package for couples and young families includes daily breakfast and one couple massage session. Packages are available for up to 28 days with 10% discount given to ACC members and 5% off for NTUC members.

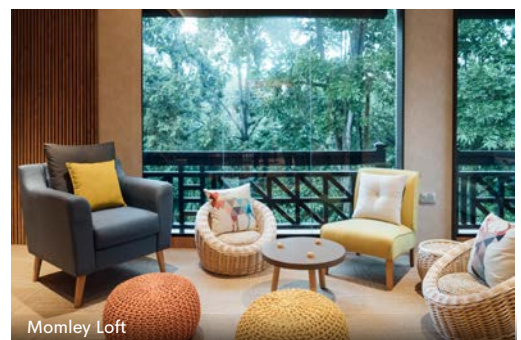

### New Upgrades & Promos

Throughout the property, the expansive upgrade also extends to the ever-popular Executive Suites on the first and second levels. Each Suite, comprising two bedrooms and two bathrooms, has a space of about 1,600 sq ft. The Executive Suites on the second level provide a bird's eye view of Wild Wild Wet water park and Pasir Ris Park. Guests can join the nature treks

through the nearby Pasir Ris mangrove swamp. Spot otters and herons at their natural habitat and be awed by nature.

Couples, families, friends will enjoy a vast array of services and experiences, including an outdoor swimming pool, gymnasium, sauna & steam room, BBQ pits, reading room, playroom, leisure room, members' lounge as well as the Pool Pavilion and Tulip board room which are available for private events, celebrations and meetings. Alternatively, one can relish the buzz of Downtown East just three minutes away.

Room rates start from \$180 (ACC members) and \$240 (NTUC members) per night. Executive Suite deals opened to all. The Home Renovation Staycation Packages are also available for those looking for a comfortable yet affordably priced place to stay while their home undergoes renovation. Choice of 7D6N or one-month stay includes complimentary use of club facilities. Rates start from \$1,300, visit [here](#) for package details.

On behalf of our colleagues from the region, we would like to say a very big Thank You to the team for your support during our 1-day hybrid workshop at Tulip room at Aranda Country Club.

The workshop went well, with the good food in between breakfast and lunch at ASPA. My visitors were happy with the arrangement which enabled us to focus on our workshop discussion that went throughout the whole day.

Your colleagues in general had been most helpful and accommodating, we couldn't have asked for better hospitality.
